Department of Mines

Office of the Minister of Mines

Order

No. 5/24/91-MINES

Whereas M/s. Chowgule & Co. Ltd. (hereinafter referred to as the 'said party') have vide their application dated 15-11-1988 (hereinafter referred to as the 'said renewal application') sought the renewal of the deemed mining lease under T.C. No. 53/58 for extraction of Iron ore over an area of 79.0090 Ha. in village Colem of Sanguem Taluka (hereinafter referred to as the 'said mining lease');

And whereas the Forest Department has contended that the said mining lease area is situated very near to the Bhagwan Mahavir Wildlife Sanctuary and that if mining activities are allowed to continue in such buffer zones of wildlife protected areas, they will eventually get isolated, forest areas will get fragmented and wildlife habitat contiguity will be lost;

And whereas a notice bearing No. 5/24/91-MINES dated 16-12-1991 was issued to the party calling upon them to attend the personal hearing in response to which, their representative attended the hearing. During the course of hearing it was decided to visit the site to find the factual position on the ground;

And whereas the said area was inspected alongwith the representative of Forest Department, Mining Firm and Mines Officer from Directorate of Industries and Mines and confirmed that the said area is covered with trees of forest nature and is situated very near to the Bhagwan Mahavir Wildlife Sanctuary;

And whereas it has been established that the renewal of the said mining lease in the said area and the working of the said mine thereafter will definitely affect the Wildlife Sanctuary situated near the said mine and the valuable forest growth would be affected.

Now, therefore, in exercise of the powers conferred by sub-rule (1) of rule 26 of the Mineral Concession Rules, 1960, the Government of Goa hereby reject the renewal of the said mining lease in view of the reasons explained above.

Vinaykumar Usgaonker (Minister for Mines).
